PROJECT MANAGEMENT JOHNSON & JOHNSON PTE. LTD. SINGAPORE

MAR 17 – MAR 18

Managed Project Sunrise for Singapore – ensured all products marketed in locally were updated to the new official address on all labels per local regulatory requirements. Managed the complexity of working with 12 diverse markets across the Asia-Pacific region. Oversight of the renovations and outfitting of the new Johnson & Johnson Experience Center, including installation and commissioning of the payment system. Ensured smooth operations both during retail days and special launch events.

Accomplishments/Achievements

- Updated regulatory information on more than 200 individual products
- Achieved 100% update success before regulatory deadline
- Provided operational oversight of the Experience Center which maximized in-store stock levels and better customer experience

PROJECT MANAGEMENT (CONTRACT) J WALTER THOMPSON

DEC 16 – MAR 17

Project Manage and Art Buy for the global Unilever Lux account on campaigns in their key markets of India, China, Russia, South Asia and the Americas. Optimized internal creative resource and specialist 3rd party partners to derive the best possible go-to-market brand collateral. Able to balance of timeliness of delivery and cost of high quality production through deep understanding, relationship building and realistic fair negotiation.

Accomplishments/Achievements

- Increased engagement with external party expertise and reduced turn-around times

PROJECT MANAGEMENT (FIXED-TERM CONTRACT) SOHO SQUARE, OGILVY

APR 16 – NOV 16

Engaged by Soho Square to oversee/project manage Phase 2 of a new Brand campaign and bring the new product to launch in Singapore, thereafter countries in South East Asia. Phase 2 involved 15 people with expertise across disciplines of Creative, PR, Media, Social, Digital, Events, Client Service, Brand Management, etc.

Accomplishments/Achievements

- Managed diverse disciplines to create a cohesive framework for complex projects

PRODUCTION SERVICES DIRECTOR APAC OPERATIONS DIRECTOR APAC TAG WORLDWIDE

**NOV 13 – OCT 15
SEP 12 – OCT 13**

Joined Tag Worldwide (Asia) at a time when the organization realized their global clients' growth focus was in Asia and its own operations in the region needed to match this expansion. It needed to become a vital hub to service clients in the region. Worked with the Studio teams in Singapore and Shanghai to establish workflows and best practices. Also worked with the Implementation Director from London to set-up Tag Japan and Tag Korea offices. Ensured all new joiners were trained on Tag's proprietary system and existing staff were given refresher sessions to improve efficiency. Implemented region-wide time tracking program to track staff utilization rate providing management clear view of each client's net profitability and set the basis for rate-card re-negotiation.

Accomplishments/Achievements

- Stabilized online workflow connectivity between local main production servers in London
- Reduced return times for output files by 95% (from 45 minutes to 2 minutes)
- Increased overall productivity
- Reduced overtime and staff costs
- Negotiated greater rebates from key external parties, e.g. stock image libraries, printers, other service providers/vendors
- Successfully relocated the entire Singapore operations of over 70 staff
- Oversight on the interior design, space planning, costings, fit-out, logistics, post-move operational resumption with minimal downtime
- SGD30,000+ in reinstatement costs

REGIONAL MANAGER, MARKETING CAMPAIGNS APEM DHL WORLDWIDE

APR 11 – NOV 11

Led the implementation of International Specialists and Global Integrated Advertising Campaigns, which focused on DHL's global logistics leadership and expertise in every business segment. Oversight on the local country teams, qualified and approved their adaptations of 12 specific and individualized electronic direct mailers.

Accomplishments/Achievements

- Led and implemented a 50+ country, multi-phased Email Contact Strategy campaign targeting various levels of customers in the SME sector

PROJECT MANAGER (FIXED-TERM CONTRACT) REDWORKS

DEC 10 – MAR 11

Managed a one-off DHL project - Global Express Service Campaign, creating multiple global maps detailing each APEM country's inbound and outbound Express document and parcel delivery service.

Accomplishments/Achievements

- Managed the team on this project, and the information and data from each market

REGIONAL PROJECT MANAGER REDWORKS/OGILVY & MATHER

JUN 07 – JUN 10

Leading member in the global initiative to implement an online workflow management system that would exponentially increase productivity across territories and time zones. Also the day-to-day consultant/trainer for familiarization of the online workflow management systems.

Led all regional adaptation projects for the Kodak Eastman Asia Pacific (one of the key accounts) covering 13 countries in 9 Asian languages, with all production run out of the RedWorks Singapore office.

Led the team on other accounts - Kodak North America, DHL (Asia Pacific), 7-Eleven, AMEX Australia and UPS Asia Pacific – on adaptation production and campaign management for both traditional and new media.

Accomplishments/Achievements

- Achieved new billings of USD700,000 in 7 months through integration of an online workflow platform with a complex digital asset management system
- Increased new billings by 100% to USD1.4 million in 2nd year from trans-created work
- Implemented said workflow system with other key clients locally and with branch offices in Dhaka Bangladesh and Hong Kong
- Improved productivity and profits via off-shoring lower complex work to Dhaka
- Turned around the Kodak North America trans-creation work with a 30% cost saving for the client while simultaneously generating incremental billings of over USD300,000 within a 4 month period
- Achieved new billings of SGD350,000 in 6 weeks by delivering a regional project for DHL that received customer response beyond client's expectations
- Onboarded 7-Eleven management team to the online workflow platform and digital asset management system

PROJECT CONSULTANT/CREATIVE SERVICES MANAGER (FREELANCE) BBDO, TBWA/TEQUILA, SAATCHI & SAATCHI, Y&R BRANDS & WUNDERMAN

JUL 06 – MAY 07

RETAIL DEVELOPMENT MANAGER NIKE SINGAPORE

JAN 06 – JUL 06

Led and managed a small team of Visual Merchandisers covering Singapore, Vietnam, Brunei, and Pakistan as a member of the Country Leadership Team. Tasked to increase Brand equity with retailers and consumers. Scope included evaluating potential new store locations, consulted in the space planning and store layouts. Also entailed coordination with the Marketing Team on initiatives to capture greater consumer awareness and engagement. Other key responsibilities included conceptualizing, planning and execution for key

campaigns, while managing various vendor partners, location/space owners and local authorities to ensure smooth execution and all safety regulations were met.

Accomplishments/Achievements

- Conceptualized, planned and executed the “Joga Bonito” special stand-alone store outside Raffles City as part of Nike’s World Football campaign for World Cup 2006
- Opened partner stores at Marina Square, Millenia Walk, Raffles City and Jurong Point

SENIOR PRINT PRODUCTION MANAGER SAATCHI & SAATCHI SINGAPORE

NOV 99 – JAN 06

Oversight on print production for the main agency, with Art Buying and Radio Producing as secondary duties.

Was the lynchpin from the initial stages of major campaigns and projects. As a member of the core team for pre-production and meetings, was involved in on-going coordination and interaction with the Creative team, Art Buyer, Account team, photographer, retoucher color specialist and printer, to achieve alignment on the method to achieve the best final output. Managed and monitored budgets, resources and timelines. Guiding clients through the processes, technical aspects, requirements and our rationale to achieving the desired results for more complex projects.

As a trusted and proven member of the team, assigned to cover duties of direct boss, the Creative Services Director during her absence.

Accomplishments/Achievements

- Achieved a SGD600,000 net profit for Team Saatchi, the agency’s former retail-based arm, in its’ first year of operations
- Built strong relationships with new vendors and fostered stronger ties with existing strategic business partners
- Achieved preferential rates and services from external partners
- Improved efficiency and quality of 3rd party deliverables
- Managed production of communication materials, for multiple regional and local businesses including Toyota, Lexus, Burger King, Starbucks, Hewlett-Packard, Carlsberg, Republic of Singapore Navy, CaptiaLand Malls, etc.
- Produced multiple award-winning ads at international shows
- Awarded the “Nothing Is Impossible” title (2002/3) for consistently pushing the boundaries and achieving the highest standards of excellence

EDUCATION

Bachelor of Arts, Communication and Media Management from the University of South Australia.
